

INVESTIGATION PANEL INTO THE AWARD OF DEGREES IN THE DEPARTMENT OF STATISTICS (1997 – 2006): CALL FOR MEMORANDA

On the directive of Council, an Investigation Panel into the award of degrees for the last ten years in the Department of Statistics has been set up. The Panel's Terms of Reference are:

- (i) to investigate the award of degrees in the Department during the period 1997 to 2006.
- (ii) to make recommendations to the University Administration.

The Panel hereby requests from the members of the University community any information that could assist it (the Panel) on the cases of examination misconduct involving staff and students of the Department.

Interested members of the community should please forward such information to the **Panel's Secretariat, Room 28, Examinations Office**, not later than three (3) weeks from the date of this publication.

Thank you

Signed
