UNREGISTERED STUDENTS AT THE UNIVERSITY HEALTH SERVICES

The attention of the University Administration has been drawn to the fact that some students have not registered with the University Health Service (Jaja Clinic) despite repeated warning. This is to inform all students that registration is not complete until all students are registered with the University Health Service.

For the avoidance of doubt, students who are not registered will not be attended to at the Jaja Clinic, whenever they show up for treatment. Furthermore, a surcharge of One Thousand Naira (~~₦~~1,000.00) and Two Thousand Naira (~~₦~~2,000.00) will be paid by each Undergraduate and Postgraduate student respectively for late registration.

The affected students are, therefore, enjoined to comply without further delay.

Thank you.
