DRIVING THE UNIVERSITY OFFICIAL VEHICLES

The University Governing Council at its statutory meeting held on Thursday, 21 May, 2009 expressed serious concern in respect of University staff who are not official drivers, but have been seen driving official vehicles.

This development negates Council's previous directive that only drivers in the University Service are authorised to drive official vehicles because only this category of drivers are covered by Insurance Policy in case of any accident.

Council has therefore reaffirmed its previous directive on this matter.

Deans of Faculties/Heads of Department/Units are therefore requested to ensure strict compliance with the directive.
