### UNCLAIMED BENEFITS UNDER THE FEDERATED SUPERANNUATION SCHEME FOR UNIVERSITIES

The University Governing Council at its statutory meeting of Thursday, 13 and Friday, 14 September, 2009 observed with concern that some Retirees of the University of Ibadan who are beneficiaries of the Federated Superannuation Scheme for Universities (FSSU) were yet to collect their claims.

All efforts to contact them through the addresses contained in their official records have been unsuccessful.

Council therefore directed that the list of such **beneficiaries** be published, so that members of the University Community who may have information about their current addresses/locations could contact them immediately, for their appropriate action.

The beneficiaries listed hereunder or their next of kin are requested to contact the Bursar's office with documentary evidence for the claim.
