**RE: VERIFICATION AND ENROLMENT OF FEDERAL GOVERNMENT  
EMPLOYEES SLATED FOR RETIREMENT BETWEEN JANUARY 2010 AND  
DECEMBER 2011 UNDER THE CONTRIBUTORY PENSION SCHEME**

The National Pension Commission discovered that in spite of the ample time given and the various centres created to facilitate smooth and total enrolment of employees who will retire between January 2010 and December, 2011, some employees were yet to be enrolled.

Management therefore wishes to request employees who could not participate in the last verification and enrolment exercise conducted between 13 July and 22 August 2009 to go to the Pension and Gratuity Section of the Bursary Department on or before Friday, 18 December, 2009 for Pre-Enrolment.

Thank you.

Signed
