

APPLICATION OF EXAMINATION/TEST OF SKILL FOR PROMOTION IN THE UNIVERSITY OF IBADAN

This is to draw the attention of the Senior Non-Teaching Staff to the relevant portion of the Staff Information Handbook (as approved by the University Council in 2003) which states in item 7.1.2 thus:

“Promotion should be to established positions after certain level and subject to some form of examination or test of skill with other approved criteria as it obtains in other arms of the Public Service.”

The above decision was further affirmed by Council at one of its meeting. Consequently, at its meeting held on 20 August 2007, the University’s Appointments and Promotions Committee for Senior Non-Teaching Staff decided to implement, with effect from the 2008 Promotions Exercise, that is, 01 October, 2008, the relevant portion of the Staff Information Handbook on the need for Examination or Test of Skill to be applied for the promotion of Senior Non-Teaching Staff to established positions after some particular levels in the University of Ibadan.

All Senior Non-Teaching staff of the University are, therefore, requested to please take note of this important development.

Signed

Omotayo O. Ikotun (Mrs.)

Registrar & Secretary to Council
