The Vice-Chancellor,
University of Ibadan
Ibadan.

Dear Sir,

INCIDENT AT THE UNIVERSITY MOSQUE ON FRIDAY, AUGUST 13, 2010

We have heard about the unfortunate incident that occurred at the University Mosque on Friday, August 13, 2010 when a student was reported to have disrupted worship at the mosque.

First and foremost, we esteem the commendable role you played in averting the terrible consequences that would have resulted from the condemnable action of the student. We are also highly appreciative of the mature way the Chief Imam handled the situation.

We wish to inform you that the student involved is not a member of the Chapel of the Resurrection. More importantly, we would like to state categorically that the chapel does not support any action that would disrupt the harmonious relationship existing among different religious groups on the campus.

In conclusion we express our gratitude to you for your timely intervention and laudable role in the interest of peace on the occasion in question.

Yours faithfully,

Signed
Prof. R.O.A. Arowolo
Chapel Chairman
