RE: PAYMENT OF THIRTEENTH MONTH SALARY

Management has been inundated with calls for the payment of thirteenth month salary for the year 2010, with claims that the Federal Government had released funds to the University for that purpose. However, as at the time of issuing this release, the Unions have not been able to produce evidence of the release of any circular in this respect or proof that funds were released to the University for the payment.

This is to inform the University Community that the Administration has neither received any circular authorizing payment of thirteenth month salary, nor any fund for its execution.

Management assures all staff that whenever Government issues the instruction that this be paid, and gives the cash-backing, payment will be effected without delay.

Thank you and God bless.
