7. CREATIVE ENVIRONMENTAL MESSAGES FOR BILL BOARDS ON CAMPUS

The University of Ibadan is currently on a crusade to keep the campus clean, green, healthy and environmentally attractive. In this regard, the Clean and Green Programme of the University is inviting interested members of the University community to turn in creative messages that would be placed on billboards to be mounted at strategic locations on campus. The messages are expected to address peculiar environmental problems and behavioural changes especially on waste collection and disposal, sanitation, hygiene practices, tree planting and beautification as well as pest control in houses and surroundings. These messages should be simple, informative, educative and inspiring with few catching words. The best three entries would be awarded befitting prizes, plaques and certificates on 5 June, 2008 at an occasion marking this year's World Environment Day Celebration. Kindly send your entries by surface mail or e-mail to cleangreen_ui@yahoo.com or anagrow@yahoo.com.
