DISPOSAL OF SCRAPS/OBSOLETE ITEMS

Management has observed with concern that various Faculties/Departments/Units are disposing of some scrap/obsolete University property without the consent of the Board of Survey.

In this regard, Management has directed that no Faculty/Department/Unit should dispose of or board any scarp/obsolete University property without the consent of the Board of Survey. Any Faculty/Department/Unit which have the items for boarding should indicate by writing to the Board of Survey at the Department of Works and Maintenance for official disposal by the University.

Thank you.
