POSTPONEMENT OF DISTANCE LEARNING CENTRE'S (DLC) SILVER JUBILEE

Owing to the prevailing situation in the educational sector of the country, the Management of the Distance Learning Centre wishes to announce the postponement of the Centre's Silver Jubilee until further notice.

The ceremony had been previously scheduled to hold between October and November, 2013.

Detailed information on the new arrangement will be announced later.

All DLC students are, however, encouraged to avail themselves of the ongoing online interaction with their Academic Advisors using their DLC dedicated e-mail and other Google-based learning platforms.

Thank you.
