

2429

Special Release

01 March, 2010

**UNIVERSITY OF IBADAN, IBADAN, NIGERIA**

**INTERNAL AND EXTERNAL ADVERTISEMENT (ACADEMIC STAFF POSITIONS)**

Applications are invited from suitably qualified candidates for the following academic positions:

**1. FACULTY OF AGRICULTURE AND FORESTRY**

(I) DEPARTMENT OF CROP PROTECTION AND ENVIRONMENTAL BIOLOGY

LECTURER II

AREA OF SPECIALIZATION  
**Toxicology**

Applicants must possess Ph.D in Toxicology OR Environmental Toxicology OR Analytical Chemistry as related to Toxicology with evidence of teaching experience in a recognized University. Proof of scholarly publications in reputable journals will be an added advantage.

(II) DEPARTMENT OF ANIMAL SCIENCE

LECTURER II

AREA OF SPECIALIZATION  
**Biostatistics**

Applicants should possess a Ph.D degree in Statistics or a related field from a reputable University. Evidence of publications in peer-reviewed journals, though not a prerequisite, will be an added advantage.

(III) DEPARTMENT OF AGRICULTURAL ECONOMICS

(a) LECTURER II

AREA OF SPECIALIZATION  
**Agric-Business**

Applicants should possess an M.Sc. and Ph.D in Agric. Econs/Economics with evidence of publications in reputable journals. Evidence of teaching experience in a recognized University will be an added advantage.

(b) LECTURER II

AREA OF SPECIALIZATION  
**Marketing**

Applicants should possess an M.Sc. in Agric. Econs/Economics and a Ph.D in Agric. Economics with evidence of publications in reputable journals. Evidence of teaching experience in a recognized University will be an added advantage.

(c) LECTURER I

AREA OF SPECIALIZATION  
**Health and Environmental Health Economics**

Applicants should possess an M.Sc. and a Ph.D in Agric. Econs/Economics with at least 2 years teaching experience at the University level. Evidence of adequate publications in reputable journals will be required.

(d) LECTURER I

AREA OF SPECIALIZATION  
**Macro Economics**

Applicants should possess an M.Sc. and a Ph.D (Agric. Econs/Economics) with at least 2 years teaching experience at the University level. Evidence of adequate publications in reputable journals will be required.

(IV) DEPARTMENT OF AGRICULTURAL EXTENSION AND RURAL DEVELOPMENT

(a) LECTURER I

Applicants should possess a Ph.D degree in Agricultural Extension and Rural Development or related fields from a reputable University. Areas of specialization required include Agricultural Communication, Agricultural Extension and Rural Sociology. Such applicants should possess teaching experience at tertiary level as well as evidence of familiarity with rural activities, ability to use communication equipment and field experience. In addition, applicants must have at least two (2) reputable academic publications.

(b) LECTURER II

Applicants should possess a Ph.D degree in Agricultural Extension and Rural Development or related fields from a reputable University. Areas of specialization required include Agricultural Communication, Agricultural Extension and Rural Sociology. Such applicants should possess teaching and research experience as well as evidence of familiarity with rural activities, ability to use communication equipment and field experience.

(c) ASSISTANT LECTURER

Applicants should possess a good M.Sc. degree in Agricultural Extension and Rural Development or related fields from a reputable University. Areas of specialization required include Agricultural Communication, Agricultural Extension and Rural Sociology. Applicants should also have at least two (2) years post-qualification experience. Evidence of progress in Ph.D programme is required.

**2. FACULTY OF ARTS**

(I) DEPARTMENT OF RELIGIOUS STUDIES

AREA OF SPECIALIZATION  
New Testament

(a) LECTURER I

Applicants should possess a Ph.D degree in the field of New Testament with at least three years of teaching experience at the University level.

(b) LECTURER II

Applicants should possess a Ph.D degree in the field of New Testament OR a good degree of Master in the same field with three years of teaching experience in a recognized University plus evidence of current registration for Ph.D in the field.

(c) ASSISTANT LECTURER

Applicants should possess a good degree of Master in New Testament with an evidence of current Registration for Ph.D in the field. Teaching experience at the University level will be an added advantage.

AREA OF SPECIALIZATION  
Comparative Study of Religion

(d) LECTURER I

Applicants should possess a Ph.D degree in the field of Comparative Religion with at least three years of teaching experience at the University level.

(e) LECTURER II

Applicants should possess a Ph.D degree in the field of Comparative Religion OR a good degree of Master in the same field with three years of teaching experience at the University level plus evidence of current registration for Ph.D in the field.

(f) ASSISTANT LECTURER

Applicants should possess a good degree of Master in Comparative Religion with evidence of current Registration for Ph.D in the field. Teaching experience at the University level will be an added advantage.

(II) DEPARTMENT OF COMMUNICATION AND LANGUAGE ARTS

PROFESSOR/READER

AREA OF SPECIALIZATION  
Print/Broadcast Journalism

SENIOR LECTURER

**Broadcasting**

(a) PROFESSOR/READER

Applicants should possess a Ph.D in any communication-related field, preferably Mass Communication, with at least 15 years teaching and research experience at the University level or a similar level for the position of Professor or 12 years teaching and research experience at the University or comparable level for the position of Reader. Such applicants should be able to teach courses in any of the areas advertised, as well as in Language Arts.

(b) SENIOR LECTURER

Applicants should possess a Ph.D in any Communication-related field, preferably Mass Communication, with at least nine years teaching and research experience at the University or a comparable level. Such applicants should be able to teach courses in the areas advertised, as well as in Language Arts.

(III) DEPARTMENT OF ENGLISH

LECTURER II

AREA OF SPECIALIZATION  
**Language**

Applicants should possess a Ph.D degree in English with special interest in English Phonology and Syntax. Post-Ph.D University teaching experience would be an advantage.

(IV) DEPARTMENT OF EUROPEAN STUDIES

PROFESSOR

AREA OF SPECIALIZATION  
**French Language/Linguistic**

Applicants must possess a Ph.D degree in French Language/Linguistics from a recognized University with not less than 10 years of University teaching and research experience and must have considerable proof of continuing research with a good record of scholarly publications in reputable journals. Evidence of ability to supervise postgraduate candidates (including Ph.D) in the area of expertise is required.

### **3. COLLEGE OF MEDICINE**

(I) DEPARTMENT OF PERIODONTOLOGY AND COMMUNITY DENTISTRY (PREVENTIVE DENTISTRY)

LECTURER I (PERIODONTOLOGY)

Applicants should possess a first degree in Dentistry from a recognized University and registrable with the Medical and Dental Council of Nigeria (BDS or its equivalent). A postgraduate qualification in Periodontology (FWACS or FMCDS or its equivalent) from the West African College of Surgeons or National Postgraduate Medical College of Nigeria or its equivalent is also required.

Candidates must show a flair for research as attested to by publications in Scientific Journals or a possession of higher academic degrees.

(II) DEPARTMENT OF RESTORATIVE DENTISTRY

(a) LECTURER I (CONSERVATIVE DENTISTRY)

Applicants must possess a basic Dental degree e.g. BDS in Nigeria or any British University or DDS in an American Institution and Fellowship of the West African College of Surgeons or National Postgraduate Medical College of Nigeria or its equivalent.

Applicants must have also been registered by the Medical and Dental Council of Nigeria and undergone the NYSC programme. Applicants must show evidence of high research potentials and teaching capabilities.

(b) LECTURER I (PROSTHETIC DENTISTRY)

Applicants must possess a basic dental degree e.g. BDS, in Nigeria or any British University or DDS in an American Institution. In addition, candidates must have passed Part II Fellowship of the West African College of Surgeons/National Postgraduate Medical College of Nigeria or its recognized equivalent.

Applicants must have also been registered by the Medical and Dental Council of Nigeria and undergone the NYSC programme.

Applicants must show evidence of high research potentials and teaching capabilities.

(III) DEPARTMENT OF CHILD ORAL HEALTH

## LECTURER I (ORTHODONTICS)

Applicants must possess first degree in Dentistry from a recognized University and registrable with the Medical and Dental Council of Nigeria (BDS or its equivalent). A postgraduate qualification in Orthodontics (FWACS or FMCDS or its equivalent) from the West African College of Surgeons or from the National Postgraduate Medical College of Nigeria or its equivalent.

Candidates must show a flair for research as attested to by publications in scientific journals or possession of higher academic degrees.

### (IV) DEPARTMENT OF ANATOMY

#### (a) PROFESSOR

Applicants must possess a good First degree in Medicine, Dentistry or Anatomy (at least Second Class Upper) with any of the following additional qualifications: Ph.D or MD or Postgraduate Professional Fellowship in Medicine/Dentistry of a recognized College, and at least ten (10) years of Teaching and Research at the University level.

Applicants should show evidence of scholarship and track record of outstanding research in Anthropology and Forensic in Anatomy with scholarly publications in reputable journals. Preference will be given to medically qualified candidates whose qualifications must be registered with the Medical and Dental Council of Nigeria (MDCN).

To be successful, a candidate is expected to demonstrate evidence of academic leadership, capacity to develop the field/discipline in the department, ability for collaborative and multidisciplinary research and ability to supervise postgraduate students in the field.

#### (b) SENIOR LECTURER

Applicants must possess a good First degree in any of the following:

Medicine, Dentistry and Anatomy (at least Second Class Upper) with any of the following additional qualifications: Ph.D, MD or Postgraduate Professional Fellowship in Medicine/Dentistry of a recognized College and at least six (6) years of teaching and research experience at University level (relevant to Human Anatomy).

To be successful, a candidate must show evidence of: scholarly publication in reputable journals and demonstrable potentials for academic leadership. Possession of knowledge and skills in Molecular and Cell Biology techniques will be an advantage.

#### (c) LECTURER I

Applicants must possess a Ph. D in Anatomy or be in the Ph.D Programme with at least 3 years experience in the teaching of Anatomy and must show evidence of research design.

OR

Applicants must possess MBBS with an additional qualification e.g. M.Sc. or Ph.D in Anatomy with a minimum of two years teaching experience in Anatomy and evidence of on-going research. Applicants with M.Sc. in Anatomy must show evidence of having registered for a Higher Degree e.g. M. Phil/Ph.D.

#### (d) LECTURER II

Applicants should be medically qualified (MBBS, BDS or equivalent) and have relevant teaching experience in Anatomy. Their qualifications should be registerable with the Medical and Dental Council of Nigeria.

OR

Applicants must possess M.Sc. in Anatomy with at least 3 years teaching experience in Human Anatomy at the University level. Publications in learned journals will be an advantage.

OR

Applicants must possess Ph.D in Anatomy and relevant teaching experience in Human Anatomy.

### (V) DEPARTMENT OF BIOCHEMISTRY

#### LECTURER I/II

Applicants for the position of Lecturer I/II must possess a Ph.D degree in Biochemistry or be on a Ph.D degree programme, with at least 3 years teaching experience at the University level and must show evidence of current research and publications.

**Preference will be given to candidates with specialty in:**

- (i) Molecular Biology/Cancer Research**
- (ii) Membrane Biochemistry**
- (iii) Drug Metabolism and Toxicology**

**(VI) DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY**

**LECTURER I**

**Applicants must possess a good First degree in Dentistry from a recognized University and registrable with the Medical and Dental Council of Nigeria (BDS or its equivalent). A postgraduate qualification in Oral and Maxillofacial Surgery from the West African College of Surgeon (FWACS) or from the National Postgraduate Medical College (FMCDS) or its equivalent is required.**

**Candidates must also show a flair for research as attested to by publications in scientific journals or possession of higher academic degrees.**

**(VII) DEPARTMENT OF ORAL PATHOLOGY/ORAL MEDICINE**

**LECTURER I**

**Applicants must have a basic Dental diploma (BDS) or its equivalent registrable with the Medical and Dental Council of Nigeria. In addition, candidates must have one of the following:**

- 1. Postgraduate Fellowship from either the National or West Africa Postgraduate Medical College in Oral Pathology/Oral Medicine.**
- 2. A 2-3 years Masters degree/Residency Programme in Oral Medicine/Pathology from recognized British or American Institutions. In this case, Board Certification in Oral Medicine/Pathology will also be required.**

**Teaching experience of between 1-2 years at the University level will be an added advantage.**

**(VIII) DEPARTMENT OF VIROLOGY**

**LECTURER I/II**

**Applicants should possess a Ph.D degree in Virology with good knowledge of techniques in Molecular Virology. Applicants for Lecturer I position must possess at least three years of teaching and research (with publications) experience at the University level.**

**Candidates with M.Sc. degree in Virology and currently registered for Ph.D with at least three years of research or teaching experience at a tertiary institution or research institute may be considered for Lecturer II position. Publications and field experience will be of advantage.**

**(IX) DEPARTMENT OF HUMAN NUTRITION**

**(a) LECTURER I**

**Applicants must possess a B.Sc. degree in Human Nutrition and MBBS with a Fellowship of the West African College of Physicians or National Postgraduate College of Nigeria (or equivalent).**

**(b) LECTURER II**

**Applicants must possess a BSc. Degree in Human Nutrition/Food Science with M.Sc. Human Nutrition or MPH (Health Promotion and Education/Epidemiology) and Ph.D in Human Nutrition.**

**In addition all applicants must:**

- (a) be skilled in Computer applications**
- (b) have good inter-personal relationship / be able to work as a member of a team.**
- (c) possess at least 2 years of relevant working experience.**

**(X) DEPARTMENT OF PSYCHIATRY**

**(a) LECTURER I**

**Applicants must possess a good First degree in Medicine and Surgery from a recognized University and registrable with the Medical and Dental Council of Nigeria (MBBS, MBBChir, or equivalent) as well as a Postgraduate qualification in Psychiatry (FMCPsych, FWACP, or equivalent).**

**Applicants are to indicate two possible choices among the following sub-specialties as areas of interest: Neuropsychiatry, Forensic Psychiatry or Addiction Psychiatry.**

**Applicants must also show evidence of research potentials and publications in reputable academic journals of international standard.**

(XI) DEPARTMENT OF PAEDIATRICS

LECTURER I

**Applications are invited from suitably qualified candidates for the post of Lecturer I (Nephrology and Neurology).**

- 1. A good First degree in Medicine from a reputable University and registration with the Medical and Dental Council of Nigeria.**
- 2. Postgraduate Professional Training and Fellowships of the National Postgraduate Medical College or the West African College of Physicians.**
- 3. Teaching experience at undergraduate level.**
- 4. Demonstrable interest in research work.**
- 5. Evidence of publications in reputable academic journals.**

**Shortlisted applicants are expected to make a departmental presentation in their areas of interest preferably in Nephrology and Neurology before the interview.**

(XII) DEPARTMENT OF CHEMICAL PATHOLOGY

(a) LECTURER I

**Applicants must possess any of the following:**

- (a) A degree of Doctor of Philosophy in Chemical Pathology or Clinical Biochemistry.**
- (b) A Fellowship of the National Postgraduate Medical College of Pathologists**
- (c) A Fellowship of the West African College of Pathologists**

**In all cases, specialization in Clinical and /or Environmental Toxicology is required. For those with Fellowships, possession of additional postgraduate qualification such as Master of Science will be an added advantage. Teaching experience in a recognized University or in the Postgraduate Programme of a Teaching Hospital is essential. Publications in peer-reviewed journals will also be of a great advantage.**

(b) LECTURER II/I

**Applicants must possess any of the following:**

- (a) A degree of Doctor of Philosophy in Chemical Pathology**
- (b) A Fellowship of the National Postgraduate College of Pathologists**
- (c) A Fellowship of the West African College of Pathologists**

**In all cases, specialization in Immunology and/or Immunology-related disciplines is required.**

**Applicants who are about to conclude their Ph.D programmes or their Part II Residency programmes may also apply for Lecturer II Position. It is essential that such applicants should be well versed in basic and specialized Immunologic Techniques such as will be useful to many of our Postgraduate Students.**

**Publications in peer-reviewed Journals will obviously be an added advantage for those who want to be considered for Lecturer I position.**

(XIII) DEPARTMENT OF COMMUNITY MEDICINE AREA OF SPECIALIZATION

(a) LECTURER I OCCUPATIONAL HEALTH UNIT

**Applicants should hold the Fellowship of the National Postgraduate Medical College of Nigeria or the West African College of Physicians in Community Health.**

**Postgraduate qualification in Occupational Health (Diploma or Masters) or evidence of inclination towards and work experience in Occupation Health will be an added advantage.**

(b) LECTURER I HEALTH SERVICE POLICY MANAGEMENT UNIT

**Fellowship of the National Postgraduate Medical College of Nigeria or the West African College of Physicians in Community Health.**

**A postgraduate qualification in Health Policy and Management with adequate cognate experience will be an added advantage.**

**(XIV) DEPARTMENT OF PHARMACOLOGY AND THERAPEUTICS**

**(a) PROFESSOR/READER IN PHARMACOLOGY:**

**Applicants must possess a good First degree in Pharmacology or Pharmacy, with a degree of Master and Ph.D in Pharmacology and Therapeutics plus at least 12 years teaching and research experience in a recognized University's Department of Pharmacology and Therapeutics. Applicants must also show evidence of teaching and research leadership in Basic Pharmacology. They must also possess substantial publications in peer reviewed international journals with evidence of established and on-going research and postgraduate supervision. The successful candidate will be expected to play a significant mentoring role to younger colleagues.**

**(b) SENIOR LECTURER IN THE FIELD OF PHARMACOLOGY**

**Applicants must possess a good First degree, Master and Ph.D in Pharmacology with a minimum of 6 years post-Ph.D teaching and research experience at the University level. Applicants must show evidence of supervision of graduate students at the University level. They must have publications in peer-reviewed international journals.**

**(c) LECTURER I**

**Applicants must possess a good First degree, Master and Ph.D degrees in Pharmacology with a minimum of 3 years post-Ph.D teaching and research experience at the University level. Applicants must also have publications in peer-reviewed international journals.**

**(d) LECTURER II**

**Applicants must possess a good first degree in Pharmacology or Pharmacy and a degree of Master in Pharmacology. They must show evidence of current registration for Ph.D in Pharmacology with substantial progress in Ph.D work in a recognized University.**

**(XV) DEPARTMENT OF OPHTHALMOLOGY**

**LECTURER I**

**Applicants must be fully qualified medical doctors with the MBBS or its equivalent, registrable with the Medical and Dental Council of Nigeria.**

**They must possess FMCophth and FWACS or its equivalent and must demonstrate excellent teaching activities and high potentials to conduct research.**

**A Fellowship or interest in Glaucoma or Neuroophthalmology will be an advantage**

**(XVI) DEPARTMENT OF NURSING**

**(a) PROFESSOR/READER**

**Applicants must possess the following:**

- (i.) Basic degree in Nursing from a reputable University, registrable with Nursing and Midwifery Council of Nigeria.**
- (ii.) A Ph.D degree in a related field. Ph.D degree in Nursing will be an advantage.**
- (iii.) Adequate professional competence.**
- (iv.) At least 9 years of teaching experience in a University (for the position of Reader) and at least 12 years for the post of Professor.**
- (v.) Outstanding research capability and demonstrable ability to supervise research projects.**
- (vi.) Substantial academic publications in peer-reviewed journals within and outside Nigeria, not less than 70% of which must be in journals of international standard. Not more than 33% of the publications should have been published in the same journal.**

(b) LECTURER II

Applicants must possess Ph.D. Nursing or M.Sc. Nursing with evidence of reasonable Ph.D work (MCH, Education, Administration, or Mental-Health Psychiatric – preferred); with adequate publications and three year's teaching experience in a recognized University.

(c) ASSISTANT LECTURER

M.Sc. in Nursing (MCH, Education, Administration, or Mental-Health Psychiatric – preferred).

**(XVII) INSTITUTE FOR ADVANCED MEDICAL RESEARCH AND TRAINING**

(a) SENIOR RESEARCH FELLOW

Applicants must possess a Ph.D degree in Biomedical Science with at least five years post-qualification experience. Applicants must demonstrate scholarship through adequate publications in reputable peer-reviewed journals and must also have the ability to initiate and conduct research in Basic Medical Science fields. Experience in Molecular Biology techniques will be of great advantage. Applicants must also possess the ability to lead a research team.

Successful candidates will be expected to initiate and participate in research and training activities of the Institute and perform other additional duties as may be assigned by the Director of the Institute.

(b) RESEARCH FELLOW I/II

Applicants must possess a Ph.D in a Biomedical Science and Postgraduate Fellowship in Medicine with a higher degree in a Life Science or be medically qualified with a Fellowship of the National Postgraduate Medical College or the West African College of Physicians or a recognized equivalent which is registrable with the Medical and Dental Council of Nigeria. Preference will be given to applicants with experience in Biomedical Science-related research, Molecular Biology applications, and Research Focus on Genetics Toxicology, infections diseases or Reproductive Health. Research activities, evidence by publications will be an added advantage.

Successful candidates will be expected to participate in research and training activities of the Institute and perform other additional duties as may be assigned by the Director of the Institute.

**4. FACULTY OF EDUCATION**

(I) DEPARTMENT OF SPECIAL EDUCATION

(a) ASSISTANT LECTURER

AREA OF SPECIALIZATION  
Education for the Hearing-Impaired

Applicants must possess a Ph.D. degree or be very close to the Ph.D defence in the field of Education for the Hearing-Impaired.

(b) ASSISTANT LECTURER

AREA OF SPECIALIZATION  
Gifted Education

Applicants must possess a good First degree, a degree of Master and Ph.D or very close to the Ph.D defence in the field of Gifted Education.

(II) DEPARTMENT OF LIBRARY, ARCHIVAL AND INFORMATION SCIENCE (LARIS)

SENIOR LECTURER

Applicants should possess a Ph.D degree in Library Science, Information Science or Computer Science from a recognized University.

Applicants should have at least five years of previous teaching and research experience at the University level and adequate research publications in reputable academic journals in the fields mentioned above.

Applicants who can teach Information Technology courses will be given preference.

(III) ABADINA MEDIA RESOURCE CENTRE

(a) SENIOR LECTURER

Applicants should possess a good First degree plus a degree of Master and Ph.D in Library Studies or other fields such as Educational Technology or Information Science. Candidates must show evidence of scholarship in any of these areas: Learning Resource Development, Information Use, Bibliographical Electronic Data Bases in School Learning and Research Methods.

(b) LECTURER I

Applicants should possess a good First degree, a degree of Master and Ph.D in any of the following disciplines: Educational Technology, ICT or Library and Information Science with specialization in Instructional Design and Development, E-learning and Educational Media.

## 5. KENNETH DIKE LIBRARY

LIBRARIAN II

Applicants must possess either the BLS or B.A/B.Sc. or LLB degree plus any of MLS, MLLS or M.Inf.Sc. from a recognized university. Possession of any other recognized qualification will be an added advantage.

In addition to the listed qualifications, candidates must possess a good drive for hard work and commitment to excellence. Above all, candidates MUST be sufficiently proficient in the application of Information and Communication Technologies (ICTs) to the Management of Information Resources in the context of the Virtual reality of modern library services. In other words, the possession of any Certificate in Computer Application may not necessarily be a sufficient ground for eligibility as the emphasis will be on manifest capacity to utilize the technologies. In summary, candidates must be imaginative and creative in the use of technologies. They must also be willing to engage in research activities since the position is academic.

## 6. FACULTY OF LAW

DEPARTMENT OF PRIVATE AND BUSINESS LAW

SENIOR LECTURER

AREA OF SEPCIALIZATION

- (1) Maritime Law
- (2) Medical Law
- (3) Reproductive Law
- (4) Intellectual Law

Applicants must possess a good First degree plus a postgraduate degree in Law. Possession of a Ph.D. is a pre-requisite. However, a candidate with a postgraduate degree in Law and ten years of teaching and research experience in a recognized University may be considered for the position. Applicants must have been called to the Nigeria Bar and must also demonstrate outstanding research and teaching abilities with evidence of adequate scholarly publications.

## 7. FACULTY OF PHARMACY

(I) DEPARTMENT OF PHARMACEUTICAL MICROBIOLOGY

LECTURER I

Applicants should possess M.Sc. and Ph.D in Pharmaceutical Microbiology or (Pharmaceutics with option in Pharmaceutical Microbiology). Applicants with M.Sc. and Ph.D Microbiology with bias for Pharmaceutical Microbiology may also be considered. In each case, interest in Molecular Biology/Pharmaceutical Biotechnology and relevant experience of at least 2 years are required as well as research publications in learned journals. Professional registration with the Pharmacists' Council of Nigeria will be an added advantage.

(II) DEPARTMENT OF PHARMACEUTICS AND INDUSTRIAL PHARMACY

LECTURER II/I

Applicants must possess a good Bachelor of Pharmacy degree with postgraduate qualifications. A minimum of Master of Science (M.Sc.) in Pharmaceutics or Pharmaceutical Technology for Lecturer II and Doctor of Philosophy (Ph.D) for Lecturer I. Applicants for Lecturer II must show evidence of progress towards obtaining a Ph.D degree. Relevant teaching experience and publications in learned journals will be an advantage.

(III) DEPARTMENT OF PHARMACEUTICAL CHEMISTRY

LECTURER II/I

Applicants should possess a Bachelor of Pharmacy (B.Pharm) degree, M.Sc. (Pharmaceutical Chemistry) and Ph.D (Pharmaceutical Chemistry). The doctoral research and publication should be in the field of “Drug Discovery from Nature”. Publications in Peer-reviewed journals will be an added advantage.

(IV) DEPARTMENT OF PHARMACOGNOSY

(a) LECTURER II/I

Applicants should possess B.Pharm degree registrable with the Pharmacists’ Council of Nigeria and M.Sc./M.Phil. in Pharmacognosy/Natural Product Chemistry from a recognized University.

A Ph.D degree is required for candidates applying for Lecturer I. Teaching and research experience at University level will be an added advantage.

(b) LECTURER II

Candidates for this position should hold a Bachelor of Pharmacy degree and an M.Sc. degree in Pharmacognosy from a university recognized by the Senate of the University of Ibadan. Evidence of current registration for a Ph.D degree and/or scholarly publication(s) in learned journals will be an advantage.

## **8. FACULTY OF SCIENCE**

(I) DEPARTMENT OF COMPUTER SCIENCE

**PROFESSOR/READER**

AREAS OF SPECIALIZATION

Computational Biology/Bio-informatics, Programming Language Semantics, Knowledge Representation/Semantic Web, Machine Learning, Text/Data Mining, Software Engineering or any area of Computer Science.

**SENIOR LECTURER/LECTURER I**

Software Engineering, Information Systems, Computer Architecture and Networks.

**LECTURER II**

Any area of Computer Science

(a) PROFESSOR/READER

Applicants should have a good First degree, Masters and a Ph.D in Computer Science plus at least 10 years of previous teaching and research experience at the University level and adequate research publications in reputable academic journals in a core area of Computer Science. Evidence of research leadership must be demonstrated. Applicants must be registered with Computer Professional Registration Council of Nigeria (CPN).

(b) SENIOR LECTURER/LECTURER I

Applicants should possess a good First degree, a degree of Master and a Ph.D in Computer Science. Applicants for the post of Senior Lecturer should have at least six years teaching and research experience at the University level and adequate research publications in reputable journals.

Applicants for the post of Lecturer I should have at least three years teaching and research experience at the University level and evidence of research publications in reputable journals. Applicants must be registered with Computer Professional Registration Council of Nigeria (CPN).

(c) LECTURER II

Applicants should have a good First degree, a degree of Master and a Ph.D in Computer Science. Applicants with a Masters degree who are already registered for a Ph.D may apply if they have three years teaching experience in a recognized University or comparable institutions or five years relevant experience in the Industry.

(II) DEPARTMENT OF MATHEMATICS

(a) LECTURER II

Applicants must have a Ph.D degree in Mathematics or an M.Sc. degree in Mathematics with three years teaching experience in a reputable University. Candidates with an M.Sc. degree must show evidence of registration for a Ph.D

degree. Area of specialization is open to all fields of Mathematics. However, applicants working in Computational Mathematics/Mathematical Modelling will have an added advantage.

(III) DEPARTMENT OF ZOOLOGY

AREA OF SPECIALIZATION

LECTURER II/I

ANIMAL PHYSIOLOGY

(a) LECTURER II

Applicants should possess a Ph.D degree in Zoology/Biology with a research bias towards Animal Physiology. Previous teaching experience at the University level will be an advantage.

(b) LECTURER I

Applicants should possess a Ph.D degree in Zoology/Biology with a research bias towards Animal Physiology. In addition, applicants should have at least three years of previous teaching and research experience in a recognized University. Adequate research publications will be an advantage.

## 9. FACULTY OF THE SOCIAL SCIENCES

(I) DEPARTMENT OF URBAN AND REGIONAL PLANNING

LECTURER II/I

AREA OF SPECIALIZATION

- (i) Environmental/Health Planning and Management
- (ii) Urban Design, Recreation Planning, Computer Aided Design

Applicants should possess MURP/M.Sc. degree in Urban and Regional Planning and be registered or registerable with the Nigerian Institute of Town Planners (NITP) and the Town Planners Registration Council (TOPREC).

Applicants should hold a Ph.D degree in Urban and Regional Planning OR any of the other Environmental Sciences and have at least 3 years post-Ph.D experience.

(II) DEPARTMENT OF GEOGRAPHY

LECTURER I

Applicants should possess a Ph.D degree in Geography with specialization in Medical Geography or a closely related specialization and should have scholarly publications in reputable journals plus three years teaching experience at the University level.

Applicants in research institutes with sizeable publications may also be considered.

Applicants with M.Sc. or Ph.D degree but without the relevant experience and publications may be considered for a lower position.

(III) DEPARTMENT OF ECONOMICS

(a) LECTURER II

AREA OF SPECIALIZATION

Microeconomic Theory and Macroeconomic Theory and Quantitative Economics.

Applicants must possess Ph.D degree from a recognized University. Possession of relevant professional qualifications will be an added advantage.

In addition, applicants must be able to teach at least two of the following Elective courses:

- Accounting and Finance
- Financial Economics
- Development Economics
- Health Economics
- Monetary Economics

- Public Sector Economics
- Operations Research and Management

- |     |                 |   |
|-----|-----------------|---|
| (b) | LECTURER I      | Minimum Post-Qualification Teaching Experience<br>Three years plus a demonstration of scholarship |
| (c) | SENIOR LECTURER | Six years plus a demonstration of scholarship   |

Special consideration may be given to very promising candidates with a level of teaching experience that is marginally lower than the one prescribed for each cadre. Evidence of scholarship, as attested to by publications in reputable national and international journals among others, is required in respect of those applying for Lecturer I and Senior Lecturer positions.

## 10. FACULTY OF TECHNOLOGY

### (I) DEPARTMENT OF AGRICULTURAL AND ENVIRONMENTAL ENGINEERING

#### LECTURER I

Applicants should possess a good first degree (minimum of Second Class Honours, Upper Division) in any field of Engineering and a Ph.D in Agricultural Engineering/Environmental Engineering. Applicants should have at least 3 years of previous teaching and research experience plus adequate published articles in reputable journals.

Applicants must be registerable with COREN.

### (II) DEPARTMENT OF CIVIL ENGINEERING

#### PROFESSOR/READER (STRUCTURES)

For Professorship, applicants should have a Ph.D degree in Civil Engineering or any other relevant Engineering discipline with at least 10 years of teaching and research experience in a recognised University or a similar institution.

Applicants should be registered with the Council for the Regulation of Engineering in Nigeria (COREN) or any other reputable and relevant professional body.

Applicants must also possess evidence of outstanding researches and a good record of scholarly publications in reputable learned journals. Leadership qualities to build up the academic programmes in the department, stimulate inter-specialty research, as well as supervise doctoral candidates in Structures are essential.

For Readership, applicants should have same qualifications as stated above except that a minimum of 8 years of teaching and research experience in a recognized University or a similar institution would be required.

### (III) DEPARTMENT OF INDUSTRIAL AND PRODUCTION ENGINEERING

#### LECTURER I

Applicants should possess a Ph.D in the relevant field with at least three years of previous teaching and research experience and must have published papers in reputable academic journals.

A Masters degree with sufficient Industrial experience acceptable for COREN registration can also be considered. Such candidates should however show evidence of research potentials. Please note that a Lecturer II plus a minimum of three years experience in the same position can be considered.

### (IV) DEPARTMENT OF MECHANICAL ENGINEERING

#### PROFESSOR

#### AREA OF SPECIALIZATION

#### READER/PROFESSOR

#### Materials Design

- (i) Applicants should possess a First degree in Materials Engineering and a Ph.D in relevant field from a recognized University with at least ten (10) years teaching and research experience in a University or similar Institution. Such applicants must have registered with COREN and must have significant publications in local and international journals. The successful candidate will be expected to lead teaching and research in Engineering Materials.
- (ii) Applicants must possess a good First degree in Mechanical Engineering and a Ph.D in the relevant field from a recognized University and must be registerable with COREN. Such applicants must have had a minimum of ten (10) years teaching and research experience in a recognized University or similar institution.

The successful candidate will be expected to have significant publications in local and international journals and lead teaching and research in the area of Design and Manufacturing.

## 11. FACULTY OF VETERINARY MEDICINE

(I) DEPARTMENT OF VETERINARY PUBLIC HEALTH AND PREVENTIVE MEDICINE

(a) LECTURER I (MEAT INSPECTION/MEAT HYGIENE)

Applicants should possess a Doctor of Veterinary Medicine (DVM) degree from a recognized University and be registered with the Veterinary Council of Nigeria.

Applicants should possess at least a Master degree in Veterinary Public Health (MVPH), teaching experience in a recognized University and Scientific publications in reputable journals. Possession of a Ph.D (or evidence of registration for a Ph.D) will be an advantage.

In particular, cognate experience in Meat Inspection/Meat Hygiene practices is required.

(b) LECTURER II (WILDLIFE MEDICINE)

Applicants should possess the degree of Doctor of Veterinary Medicine from a recognized University and must be registered with the Veterinary Council of Nigeria.

Possession of a Master degree in a relevant field and cognate experience in Wildlife/Zoo/Medicine will be an advantage.

Successful candidates will be expected to develop research interest in the area of Zoo/Wildlife Medicine.

### CONDITIONS OF SERVICE

The appointments, which are to commence as soon as possible, are for three years initially (except for those of Professors). They may be extended for specific periods or confirmed to retiring age. Fringe benefits include a Pension Scheme or comparable arrangement as may be approved from time to time by the University Council, residential accommodation or housing allowance at an approved rate and passages for approved Overseas Study Leave.

### METHOD OF APPLICATION

Applicants should forward their applications and detailed Curriculum Vitae (20 copies) stating: Date of Birth (**not Age**), Marital Status, State of Origin, L.G.A., Mobile Telephone Number, E-mail Address, Academic Qualifications, Experience in Teaching and Research, Publications (if any) and enclose two sets of photostat copies of relevant Credentials. Applicants should also indicate the names of **three Referees** and their addresses.

Applications should reach the Deputy Registrar (Establishments), University of Ibadan, Ibadan, Nigeria, **not later than six weeks from the date of this publication.** Applicants should also request their referees to send reports on them, **under confidential cover**, direct to the Deputy Registrar (Establishments) from whom further details may be obtained.

Applicants are also requested to indicate at the back of their envelopes the position applied for and the relevant department.
