UNESCO L'OREAL CO-SPONSORED FELLOSHIPS FOR YOUNG WOMEN IN LIFE SCIENCES 2010

The L'Oreal Foundation has graciously agreed to renew the offer to finance fifteen fellowships for the promotion of young women who are carrying out research in the Life Sciences all over the world.

Applications are therefore invited from suitably qualified candidates to reach the **Executive Secretary of the National Universities Commission** not later than 22 May, 2010.

Candidates who should not be more than 35 years old, must already be engaged in pursuing research at the doctoral or post-doctoral level in one or allied fields of Life-Sciences including Biology, Biochemistry, Bio-technology, Agriculture, Medicine, Pharmacy and Physiology.

The National Commission must endorse all applications as UNESCO cannot entertain applications from individuals.

For further details please visit website: www.unesco.org/en/fellowships/loreal or the Public Relations Unit.

Thank you.
