Special Release

29 October, 2010

INTERNAL AND EXTERNAL ADVERTISEMENT (ACADEMIC STAFF POSITIONS)

Applications are invited from suitably qualified candidates for the following academic positions:

1. FACULTY OF AGRICULTURE AND FORESTRY

(i) DEPARTMENT OF CROP PROTECTION AND ENVIRONMENTAL BIOLOGY

(a) LECTURER II

AREA OF SPECIALIZATION

Entomology

Applicants should possess a good degree in Agriculture and Ph.D degree in Entomology. Specialization in either Ecology or Biology of insects or insect pests of tropical crops is required. Publication(s) in reputable journals will be an added advantage.

(b) LECTURER II

AREA OF SPECIALIZATION

Toxicology

Applicants should possess Ph.D in Toxicology or Environmental Toxicology or Analytical Chemistry or Biochemistry as related to toxicology. Evidence of teaching experience in a recognized University or proof of scholarly publications in reputable journals will be an added advantage.

(ii) DEPARTMENT OF FOREST RESOURCES MANAGEMENT

LECTURER II

AREA OF SPECIALIZATION

Silviculture and Biology

Applicants should possess a good first degree in Forestry as well as a Ph.D degree in Silviculture with competence in ecology and tree physiology/pathology with 2-3 years teaching experience at

the University level. In addition, applicant with M.Sc. with relevant teaching experience **must** have at least two publications in learned journals.

2. FACULTY OF ARTS

DEPARTMENT OF THEATRE ARTS

(a) ARTS FELLOW II

Applicants should possess a good first degree in Theatre Arts and the M.A. Theatre Arts/African Studies from a recognized University with at least 5 years demonstrable practical experience in Drama/Theatre. Media teaching experience at Part I full time level at the University level will be an added advantage.

(b) JUNIOR ARTS FELLOW

Applicants should possess a good First Degree (not lower than a Second Class Upper) in Theatre Arts and the M.A in Theatre Arts from a recognized University with at least 2 years demonstrable experience in Dance in particular and Performance in general.

Applicants who have completed at least a full session in the M.A programme may be considered, provided they have the relevant years of cognate experience.

3. COLLEGE OF MEDICINE

(i) DEPARTMENT OF PSYCHIATRY

(a) SENIOR LECTURER

Applicants must possess a good first degree in Medicine and Surgery from a recognized University and registrable with the Medical and Dental Council of Nigeria. CMBBS, MB, Bchir, or equivalent and a Postgraduate qualification in Psychiatry (FMCPsych. FWACP, or equivalent) is essential. Applicants must have some years of teaching experience and show evidence of scholarship as attested to by publications in academic journals. The possession of higher academic qualifications will be an advantage. Applicants are to indicate one of the following sub-specialties as area of interest: Forensic Psychiatry or Addiction Psychiatry.

(b) **JUNIOR RESEARCH FELLOW** (Medical Social Work)

Applicants must have at least a Masters degree in Social Work and several years of post-qualification experience in Social Work. This is an academic position in which the successful candidate will provide Teaching and Research services in Clinical Medical Social Work in the department. The candidate must therefore have Social Work experience in a mental health care setting and show evidence of interest in academic pursuit as attested to by academic publications and/or possession of added academic qualifications. Applicants already pursuing higher degrees will have an advantage.

(c) **JUNIOR RESEARCH FELLOW** (Medical Social Work)

Applicants must have at least a Masters degree in Clinical Psychology and several years of post-qualification experience in Clinical Psychology. This is an academic position in which the successful candidate will provide Teaching and Research services in Clinical Psychology in the department. The candidate must therefore have experience in Clinical Psychology Practice in a mental health care setting and show evidence of interest in academic pursuit as attested to by academic publications and/or possession of added academic qualifications. Applicants already pursuing higher degrees will have an advantage.

(ii) **DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY**

LECTURER I

A first degree in Dentistry from a recognized University and registrable with the Medical and Dental Council of Nigeria (BDS or its equivalent). A postgraduate qualification in Oral and Maxillofacial Surgery from the West African College of Surgeons (FWACS) or from the National Postgraduate Medical College (FMCDs) or its equivalent.
