Special Release

12 September, 2012

SITUATION REPORT ON EARNED ALLOWANCES

This is to inform all staff that the payment of earned allowances by the Federal Government is yet to be actualized.

It is pertinent to state that Management **HAS NOT** received any cash backing on the said allowances.

Management is, however, optimistic and will continue to make all necessary efforts to facilitate the release of the cash backing by the Government with the eventual payment of the allowances.

Management appreciates the understanding and cooperation of staff in this regard.

Thank you

Olujimi I. Olukoya, MNIM, FPA
